[186] 1795 Chh Records & Votes continued from Page 93 [2]

July 26th Lords day Evening. Read a letter missive from the Church in the South Parish in Hallowell, on Kennebeck River, requesting the Presence & Assistance of this Chh in Council at the Ordination of Mr Eliphalet Gillet, appointed to be on the 12th of August next. The Church thereon *Voted* to comply with the request, & chose *Thomas Wethrell Junr* a Delegate to represent the Chh on the Occasion.

The Pastor & Delegate accordingly attended on sd 12th of August when Mr Eliphalet Gillett was solemnly ordained over the sd Chh in Hallowell — On which Occasion the Revd *Mr Emerson* of Georgetown made the first Prayer *The Pastor* of this Church preached the Sermon, from *2 Cor. 6.1*: "*We then, as Workers together with him, beseech you also, that ye recieve not ye Grace of God in vain.*"[3] The *Revd Mr Gilman* of North Yarmouth made the Ordaining Prayer *Revd Dr Hemmenway* of Welles, gave the Charge Revd *Mr Anderson* of ye 2d Chh in No Yarmouth, the concluding Prayer *Revd Mr Bradford* of Pownalborough, (Wiscassett) the *Right Hand of fellowship.*

☞ Novr 8th *A day to be remembered by this Church!* — for at this time it being *Lord's Day*, & the day of our Communion, At the Close of the Exercises in the Afternoon, This Church did, in the first place, agreably to the Vote passed (Page 93[4]) after hearing it read, publickly manifest their Assent to the *Confession of Faith* recorded *Page 92d & 3d*,[5] by rising, all, from their Seats. After which, standing up, in ye presence of God and the Congregation, *the whole Chh, male & female, did* in a *solemn manner, publickly renew their Covenant* with God & one another; (after the example of this antient Chh in the days of our Fore Fathers) on which Occasion, a Sermon, adapted for the Solemnity, was preached by the Pastor, from *Exod: 19. 5th & 8th Verses.* "Now therefore, if ye will obey my voice indeed & *keep my Covenant*, then ye shall be unto me a peculiar Treasure above all

Covenant renewd

people." "And *all the people answered together* & said, *All that the Lord hath spoken we will do*; And Moses returned the words of the people unto the Lord." A more solemn & affecting season, can hardly be imagined than this was, both to the members of the Chh & to the Congregation. The good Lord enable us to "*obey his voice & keep his Covenant;*" And bless the solemn transaction as a means, to excite this Chh to a more watchful, humble, prayerful, holy & exemplary Walk & Conversation, agreable to covenant Engagements we are under — & to promote greater Love, Peace & Unity among Brethern — as well as for the awakening & Conversion of Others, that seeing our good works, they may glorify our Father who is in Heaven. O that this antient Chh — a precious Vine [187[1]] which God planted with his own hand, & has wonderfully preserved to this day, & has of late greatly encreased, (blessed be his great name!) may, to the latest Posterity, be as a City set on a hill, & exhibit an Example of Primitive Purity in Faith & Practice! That God would pour out his Spirit on us & our Children — add to the Number & Graces of this Chh that he may have a godly Seed to serve him, & to vindicate the honor of his Truth & Name, to the second coming of Christ — At which glorious day — O may all the members of this flock, with multitudes who may yet be joined to it, find their names written in Heaven!

Lord's day Evening Jan^ry 24th 1796. Notify^d the Brethren to meet in Conference, next Wednesday P M, at *Deacon Diman's*, being the *Semiannual* Meeting previous to the Contribution for ye poor of ye Chh & Congreg^n agreab^l to Vote & notified that the s^d Contribution would be next Sabbath. Page 91.[2]

Wednesday, Jan^ry 27th The Church met accordingly at the house of Deacon Diman, & after Prayer, entered upon a Conference on the Subject of *Discipline*, agreably to the Design of this Semiannual Meeting. One of the Brethren mentioned the Conduct of our Brother *Jesse Churchill*, as being 2[3] so irregular & unchristian 1[3] in several respects, as that it has given great Grief & Offence to the Church in general, & brôt much Reproach on Religion, by opening

the mouths of others to despise it & the Professors of it, by his means. Particularly, that instead of preserving " a *good Report among them that are without,*" it is the common Report that he addicts himself to an Intemperate Use of Strong Drink. For which things he has been repeatedly talkd with, in a *private* way, by several of the Brethren *individually* — Also by *three or four,* afterwards, who have mentioned this thing to him, & pleaded with him, & used every christian Argument to diswade him from a Practice so dishonoring to God & Religion, wounding to the Church, & hurtful to himself — but to no purpose, as the common Report, of late grows worse respecting him. The Church, at this meeting, endeavor'd to convince him of his error, by pointing out a variety of instances in which he had offended, on the score of Intemperate[1] use of strong Liquors — & reminding him of the opprobrious & reproachful Speeches that were made publickly, concerning him, on that account — But he continues notwithstanding, to deny, & to refuse making any Christian Acknowledgment or to manifest Repentance for his conduct — The Church after he withdrew, conversed further upon it, & then came to y^e *follow^g Votes*

Vote 1. Voted, (in order to give s^d Brother Jesse Churchill, further time for Reflection) to adjourn this Meeting for a *Fortnight,* to meet at *Deacon Diman's*

Voted 2. That Brother Jesse Churchill be notify^d by the Pastor, that unless he shall then appear to stand ready to make christian Adknowledgment by confessing his Sin, & humbling himself before God & his Brethren, he will [188[2]] then be *suspended* from the Comunion of this Church.

The Meeting was then closed by Prayer — to meet again at Deacon Diman's by Adjournment *Feb^ry 10th 1796, Wednesday,* 2 'Clock P M.

Feb^ry 10th 1796 Wednesday, P M. This Church met, agreably to Adjournment, at Deacon Diman's — had much Conversation with Brother Jesse Churchill, & much pains was taken in christian Love, to convince him of the Duty & Importance of his making christian Acknowledgment, in the Case now under Consideration — At length, he produced, & read a paper, which he called " *a few words to say* "

[1] Altered from "Intemperance."

[2] At the top of p. [188] is written "Records continued."

— but as it imply'd rather a Denial of the two particular charges alledged against him, than any acknowledgment — The Church *Voted* unanimously, that it was not satisfactory — some further Arguments were then used with him, for conviction — but proving in vain — It was then moved, & *Voted* that a *Committee* of five, be chosen, to converse with him, & use further Endeavors to perswade him to comply with the Desires of his Brethren, by exhibiting such Tokens of Humility & Penitence, as are reasonably expected from one in his Situation — & *report* to the Church, at their *next Meeting.* The Committee chosen, were The *Pastor* — Brethren *Deacon Crombie, Deacon Spooner, John Cobb* & *Ichabod Morton.* The Meeting was then, by *Vote,* adjourn'd for a fortnight, to meet at our Brother, *Doctor Rosseter Cotton's,* on Wednesday 24th Febr instant, at *2 Clock P. M.* The Meeting, as usual was begun & concluded by Prayer. Voted Vote

Wednesday. Feb. 24th The Chh met, agreable to Adjournment at Doctr Cotton's — And after some Conversation, concluded to postpone the Matter under Consideration, respecting our Bror *Jesse Churchill,* as he was called to go out of town & was absent on a Journey — & the Pastor was desired to notify ye Chh anew, in public, on Churchill's Return, after ye Comittee have conversed with him, as above proposed. So concluded with Prayer — & adjourned without Day.

Lords day Mar. 20th Notifyd the Chh to meet at Doctr Cotton's on Tuesday next, to recieve the Report of the Comittee who had conversed with Jesse Churchill on the Subject above recorded.

Tuesday. Mar. 22d The Chh met accordingly at our Bror Doctr Cotton's, & the Committee reported that they had labor'd the matter with our Brother Churchill, to bring him to a Sense of his Duty, & give Christian Satisfaction to his Brethren — but to no satisfactory purpose — But as he is again absent on a Journey, concluded on nothing decisive in his Case, but to wait his coming home. He left behind him a paper purportg to be a kind of Acknowledgment, but in such Terms that ye Chh *voted unanimsly* not to accept it. Adjd after Prayer, to no fixd time, to be notifyd in publick. Vote

[189] 1796 Records continued

Lords day April 24th Stay'd the Chh at Evening, & agreed, & so notifyd them to meet at the Pastor's house tomorrow, Afternoon, to consider further what Steps are proper to be taken with our Brother *Jesse Churchill.*

Monday P M, *April 25th* The Chh met accordingly — And after Prayer, conversed in a friendly, serious manner, on the Affair of *Jesse Churchill* — & after much Deliberation, it appearing, from a great deal of his conduct of late, & from the account which his Neigbors & his own family, give of him, that he is in a degree deranged in mind, & his Senses, at times, disordered. The Chh *Voted* That inasmuch as our Brother *Jesse Churchill* does appear to be, at times, disordered in his Senses, it is not proper to act on his Case at present, & therefore the Church do suspend further proceedings upon it, merely on that Account, & untill a suitable opportunity, & regular State of his mind may appear. Concluded, as usual with Prayer.

Vote

July 17th *Lords day Evening,* Notifyd the Chh & Congregation that the Semi annual Contribution would be *next Sabbath* — The Chh were also Notifyd to meet, agreable to custom, on *Wednesday next,* at the Pastors house, (previous to the Constribution) at 4 oClock P M, to consider any matters relative to Discipline, yt might come before them.

Wednesday. July 20th The Brethren met at ye Pastors house, but by reason of the weather, being very *rainy* — so few mett, that it was thôt proper to adjourn the Meeting to next Week, Wednesday P M, at the Meetinghouse — So after Prayer — broke up.

Lords day July 24th Stayed the Brethren, after divine Service at Evening, & proposed to them, that the Chh Meetg, which was adjourned to *Wednesday* this Week be on *Thursday* at 4 Clock, at the Meetinghouse, if agreable to them, as it would be more convenient to ye pastor, on some Accts, *which was agreed to.*

Thursday July 28. The Chh met at the Meetinghouse — but so few in Number, on Acct of the exceeding busy time of year — it was concluded & Voted, to adjourn the Consideration of the Subject now in hand respectg our Bro Jesse Churchill, to another Meeting, to be notifyd by ye pastor, about the beginning of Septr next.

Vote

Lord's day. Sepr 11. 1796. The Chh was stayed after divine

Service at Night, agreably to the above Vote, & there being a full Meet^{g} of the Brethren, it was the opinion of the Chh, that the affair, respecting our Br^{o} *Jesse Churchill* might better be considered & determined now, than to appoint another Meeting for it, as there probably, might not be so large a Number at another meeting — And considering *Brother Churchill* has had a long time for Reflection — and has been here since his Removal to *Harvard*, made a long Visit — transacted business with many people in the town in which there was no appearance of his being [190][1] being deranged in his mind, — but instead of appearing more disposed to make his peace with the Chh, by christian Acknowledgment of his faults, he appeared on the other hand, more obstinate, & added insults, both to the Pastor & the Church — Wherefore this Chh thought it their Duty, to confirm the Vote past on *the 27th of Jany last*, & did accordingly, with great unanimity, Vote That our Brother *Jesse Churchill* be sus- Vote
pended from this Church, & from all communion in special ordinances untill he shall appear penitent, & make christian Satisfaction to them by a suitable acknowledgment of those [2] Faults, which have given occasion of Grief & offence to his brethren.

May God follow this Discipline with his Blessing, & make it a means of bringing him to Repentance, "that his Spirit may be saved in the Day of the Lord"!

Octr 25th By ye Special Desire of Rufus Robbins, a Number of the *Chh* met at his house, he being sick, (he dy^{d} the week following) at which time he solemnly covenanted with God & professed his faith in Christ, he had been publickly propounded, & his Relation read before viz Octr 9th — but growing weak so fast, & apprehending he sho^{d} never be able to attend in publick, the Chh rec^{d} him as above, as individuals, & on the Sabbath following, *Octr 30th*, The Church being stay^{d}, were made acquainted with the transaction, & approved it, & Voted him a Member in full Communion with this Church. He deceased on Monday following.

Feb^{r} 24th 1797. Died that aged & good Servant of God, Deacon *Jonathan Diman*, who has used the Office of a Deacon well & much to the acceptance of this Chh for a Number of Years. "The memory of ye Just is blessed."

[1] At the top of p. [190] is written "1796 Records continued."

[2] This word has been altered.

April 2d Lords day Evening, Notifyd the Chh to meet, on[1] Tuesday next P M, immediately after the Quarterly Concert, for the Choice of a Deacon, (in the Room of our late worthy Deacn Diman deceased) if the Chh shod think proper then to come to a Choice.

Tuesday, 4th April. The Chh met accordingly, but it being a public, military day & many of the younger brethren necessarily absent, The Meeting was adjourned to *next Monday*, 4 Clock P M. But on an Occasion of such Importance, the Chh being met, united in Prayer to God for his Presence & Direction in the Choice Continued in *Page 217*.[2]

important Affair before them, The Church *Voted 1st* That they will now proceed to the Choice of a *Deacon,* in the room of our aged & worthy Brother Deacon Jonathn Diman deceased. Vote 1st

Vote 2d The Chh being then called upon to give in their Votes, it appear'd that our Brother *John Bishop* was elected to that Office, by a very large Majority — Whereupon, it was moved to know whither the Chh were willing to make the Choice unanimous, & they very readily complied, and

Voted 3d That it is the unanimous Choice of the Church.

The Meeting was concluded with Prayer, & with Thanksgiving to the great head of the Chh, for disposing the Minds of the Church, in so much Love, Harmony and Unanimity, to the Choice of this Officer in this Church — May God direct & incline his heart to comply with the Desire of his Brethren, & enable him to discharge the Duties, & "use the Office of a Deacon well"!

May 21st A Letter missive was read to this Chh from ye first Chh in *Boylston* requesting their Attendance by the Pastor & Delegates, at the Ordination of Mr *Ward Cotton* (of this town) on the 7th of June next. The Chh voted a Compliance & chose *Deacon Spooner* & Brother *Rosseter Cotton,* their Delegates. — &

June 7th The Pastor with Brother Rosseter Cotton, attended in Council, with 12 other Churches, at Boylston, & after Examination of the Pastor Elect & other preparatory Requisites — proceeded to the Ordination. Revd *Mr Holcomb* of *Sterling* opened with Prayer. The *Pastor* of this Chh preached, from "Go thou and preach the Kingdom of God."[1] Revd *Mr Sumner* of *Shrewsbury* made the ordaining Prayer Revd *Mr Whitney* of *Northbury,* the Charge Revd *Mr Avery* of *Holden,* the prayer after the Charge, & Revd Mr *Bancroft* of *Worcester,* ye Right hand. May their Pastor be one, truly & eminently, according to God's own Heart! Ordinn of Ward Cotton.

June 30th At the earnest Desire of *Rebecca Bartlett,* Wife of Elkanah Bartlett Junr The Pastor, & a Number of the Chh, & others, met at her house, & she, being in a languishing State, & having no prospect of being ever able to go out again did, at this time, solemnly confess Christ before Men & witness a good profession of her faith, & the Reason of her hope — entered into Covenant, & was then baptizd, the Brethren manifesting their free consent, as individuals Rebecca Bartlett recd to Covt & baptizd in private

of ye Chh, the transaction to be laid before the Chh, for their consent & confirmation. — Accord^g^ly [218 [1]] Accordingly, on *Lords day July 2^d^* the foregoing proceedings were laid before the Chh, &, agreable to their Practice before, in *such singular Cases,* the Chh very readily & unanimously voted a Consent & Confirmation of what was done, & voted, accordingly to recieve her, viz *Rebecca Bartlett* as a Member of this Church.

A Remark[1] Providence recorded.

Aug^st^ 10th I think it not improper to record in this place, with Gratitude, one of the most remarkable, & astonishing Events that has taken place among us, and the most surprizing Deliverance, viz On raising a New frame for a house, two Stories high, & 3 on the back side, (belonging to Capt Jno Paty) when they had finished it, it fell all at once, with, between 30 & 40 persons on it, (most of them on the top or highest floor) down to the Ground — but thrô the wonderful, and almost miraculous Interposition of God's Providence, not one person kill^d^ — thô 21 recieved wounds — yet most of them not bad — & but one, whose bones were fractured. May this Instance of divine, signal Salvation make a suitable & lasting Impression on the minds of all of us, particularly on those who were Subjects of this great Deliverance!

Septr 22^d^ The Chh met at the Pastor's house, being notify^d^ the last Lords day, being the *Semiannual* Meeting or Conference — After Prayer, conversed with much christian Unanimity & Love, on several things which relate to the Order, Peace, purity & Welfare of the Chh & its Members. — At this meeting also the Chh, for *special reasons* urging thereto,[2] came to ye following

Vote. Voted, unanimously, that this Chh view it as an Evil Practice & not to be tolerated, for any of its Members to *play at Cards,* or any way encourage the same.

1798. Lords day Feb^r^ 11th Notify^d^ the Chh to meet at a Semiannual Conference at the pastor's house, on Wednesday next — The Contribution for the poor to be (as usual) the Sabbath following.

Also Stay^d^ the Chh after Service, when, after some Conversation, & information given that our Sister *Rebecca Stephenson* was now in town, from Portland, & an Opportunity presented for enquiring

into some scandalous Reports concerning her Conduct & Character, the [219] Church *voted* to choose a Committee of three to go & discourse with her on the Subject & report to the Chh, on Wednes- Vote
day — She being confin[d] by indisposition. — The three Deacons, Vote
Crombie, Spooner & Bishop, were accordingly chosen.

Feb[r] 14th The Chh met agreably to Notification, & after prayer to God, entered into a free & full Conversation respecting the unhappy Affair of our Sister *Stephenson* — The Committee, appointed Rebecca Stephensons Case
to go & discourse with her made a Report to y[e] Chh, that they had conversed with her, that she acknowledged herself guilty, & appeared penitent & sorrowful — but some circumstances attending the affair, prevented their having such Satisfaction, in all respects, as could be wished. On the whole, the Chh, after long conversation, in a Candid, free & affectionate manner, with concern for the honor of Religion, & yet with much christian Tenderness, towards the delinquent member,

They *Voted*, That our Sister *Stephenson* be *suspended*, for y[e] Vote.
present, from Communion with this Chh in special Ordinances, on account of[1] her *indecent, loose,* lascivious & *unchristian* Behavior, on a Voyage to *Portland*, in 1794 — untill further proper Enquiry be made, & information recieved from *Portland*, respecting her general Behavior & Conversation *since that Affair*; that the Chh may know whither she hath exhibited not only the *profession* of, but *fruits meet for*, & evidential of *Repentance.*

Voted, that the Pastor be requested to write to persons in *Portland* Vote.
who[2] may be able to give such information as y[e] Chh desire.

And *voted* to adjourn this Meeting four Weeks, for that purpose, & Vote
if needful, that y[e] Pastor be desired to adjourn still further, untill Intelligence shall be obtained — & give notice of it on a Lord's Day. — The Meeting was very harmonious, & the Chh entirely united in their proceedings at this time, & hope we had y[e] presence of Christ on the Occasion.

Lords day. March 11th Notify[d] the Chh, that I had not yet obtained y[e] information from *Portland*, that was expected, & therefore, that y[e] meeting of y[e] Chh is further postponed, from *Wednesday next*, (y[e] day to which it stands adjourned) to a future day, notice to be given on a *Lord's day* previous to y[e] Chh's Meeting.

Apr[l] 1 Lord's Day Evening. Notify[d] the Chh that, having recieved several Letters from persons in Portland, in answer to those sent by the Chh for Information of the Character & Conduct of our Sister Stephenson, that they meet next *Thursday,* (being fast Day) in the Afternoon, in the Meeting house, to recieve the Communications on this Subject.

[220 [1]] 1798 Church Transactions & Records continued

The Church met accordingly, in the Meetinghouse, but on acc[t] of the Coldness of the Season, adjourned to the Schoolhouse. The Meeting opened with Prayer — After which, the Pastor read those Cōmunications, he had received, from various Persons in Portland, of good Character & several of 'em Public Professors of Religion, & persons with whom M[rs] Stephenson had lived, i.e. under their Roof. Some of *these letters were very full & clear, all of 'em in general, testified* to her having been guilty of *Intemperance,* & frequently seen intoxicated with strong Drink — & attended too with some peculiar Aggrevations, such as being on *Sabbath Days* &c &c, that this has been her habitual Practice for some years. — After hearing the sad Detail of this awful Affair — The Chh, penetrated with Grief & great Surprize — conversed in a very tender, christian manner upon the Subject — & considering how much Noise the Affair has made abroad, what mockings, & Reproachings of Religion it has caused; & what dreadful Dishonor is hereby done to the blessed Redeemer & his Cause — They came to y[e] following Votes, unanimously, & at a very full Meeting. — viz

Vote 1st That our *Sister Rebecca Stephenson* be *publickly Admonished* for her notorious Wickedness, in living in *Intemperance,* in Addition to her other Crime, on a Voyage to Portland mentioned in the last Page.

Vote 2[d] That if, thrô bodily Indisposition or any other Cause she should not be able to recieve it in publick, Voted that she have the Admonition communicated to her in private, at her house, & that, in such case, The Pastor be desired to read the same afterw[ds] in public agreable to that Text, "*Them that Sin* [2] *rebuke before all that others also may fear.*"

[1] Altered from "222."

[2] Here some words are crossed out.

Voted 3th That the *Pastor* & three Deacons, *Crombie, Spooner,* & *Bishop,* be a Committee to communicate the Admonition to her, if it be to be done in private, for the reasons before mentioned.

Vote 4th That our Brethren *Ebenezer Nelson* & *John Cobb* be desired to acquaint our Sister Stephenson with these Doings of ye Chh & that unless she give proper *Evidence of Repentance* & *Reformation,* & thereupon make a *humble, public Confession of her Sins,* the Church must proceed to the painful, thô necessary Act of *Excommunicating* her from the visible Chh of Christ. Which, may the Lord in Mercy prevent, for his Son's Sake *Amen!* After Prayer, adjournd without Day.

pub. Admonition of Mrs Reb. Stephenson

Lords day April 22d After divine Service in the Afternoon, the Pastor, according to beforemention'd Vote of the Church, did publickly, in their Name, *Admonish Rebecca Stephenson* by briefly setting forth the Heinousness of her Sins, the Grief caused to the Chh, & the great Dishonor thereby brôt upon God & Religion — & *Exhorted* her to sincere Repentance & Reformation — which, being suitably manifested by proper *Fruits,* the Church promise to restore her to their Christian Charity & Communion.

June 24th Lords day Evening, Notifyd the Church of their *Semiannual Meeting,* to be held on *Thursday next* in the Meeting-house, immediately after the public, Sacramental Lecture — & the *Contribution* for the poor, to be, as usual, the Lords day following.

Thursday June 28th 1798. The Church met accordingly, after the Lecture — and entered upon the Consideration of Subjects, relative to Discipline, agreably to the Design of the Meeting. — The first Object of their Attention & Deliberation, was, the unhappy & awful Case of *Jesse Churchill* who still remains a Member, thô suspended from the Communion, of of this Church, for disorderly & unchristian Behavior. *See Pages 187, 8, 9, &c.*[2] Upon his removing from this Town to Harvard, it was hoped that in his retired State, he would have time for reflection upon his past Conduct, & would be brôt to a proper Sense of his Sins & to Repentance & Reformation — Accordingly this Chh have waited, in such hope,

for almost two years, in which time, he has once & again visited this Place — but no appearance has he given of such Repentance & Reformation, but much the Contrary, by open, & contemptuous Speeches of this Chh, & its Members, individually — & Also by his obstinate Continuance in the Practice of extravagant & intemperate Use of Strong Drink — *And now, being in this place,* (where he has remained several Weeks) his *Intemperance,*[1] *Profane Language* & *other Enormities* have appeared to the whole place in general, to be worse than before — & althô several of this Chh, & others, have reason[d] & expostulated with him, to endeavor to convince him of the wickedness & Danger of the way he is in, Yet all has been [224 [2]] to no purpose — These things being taken, at this Meeting, into serious Consideration by the Church — They did, at length, view it to be a Duty which they owe to God — to the Honor of Christ to the Interest of Religion, as well as to the Offender himself, & to wipe off, & prevent further Reproach being cast upon Religion & this Chh, on his Account, now to *excommunicate* & cut off the said *Jesse Churchill* from all visible Relation to this Chh & the visible Kingdom of Christ — And accordingly after serious Conversation, & full Deliberation on the Subject They passed the following, Solemn Vote, at a full Chh Meeting, & without one dissenting Voice — viz — that

Vote: Whereas *Jesse Churchill,* who for many years has been a Member of this Church, has been guilty of a long Course of Conduct & Behavior, utterly unbecoming[3] the Christian Character & contrary to his own Covenant Engagements, particularly by *rash & profane Language — contemptuous treatment of the Church* — & the *inordinate use of Strong Drink,* & many other things, inconsistent with the Character of a Professor of Religion — from[4] all which Sins, this Church has repeatedly & very often, for years, endeavor'd to reclaim him — & have used all those Means, pointed out in the Gospel, to bring him to Repentance, & all to no good purpose, And wheras they have, (as in Duty bound,) waited on him, with great Patience & Forbearance, hoping that time & Reflection might bring him to a Sense of his Sin & his Duty, & produce a Reformation in

him, but finding that he appears to be more & more obstinate & hardened in his vicious Courses, Therefore this Church, believing, that by continuing him any longer, as a Member of it, they would incur Sin upon themselves, & thereby expose themselves to the Anger of God, & be in danger of his Judgments, do now, by a Solemn & united *Vote, exclude* the said *Jesse Churchill* from all Relation to & Communion with this Chh of Christ, & declare him to be no longer a Member of the Visible Church & Kingdom of Christ — and this Act of ye Chh [225[1]] is founded upon the word of God, & is done in Obedience (225 to his Command) — which says (speaking of incorrigible Offenders) " Withdraw from them " — & have no fellowship with them — But " let him be unto thee, as an heathen man & a publican." — And as this solemn Sentence of Exclusion, is founded on the Word of God — so it is conformable to the Rule, Custom & Platform of the Congregational Churches in the Land — from the Days of our Ancestors. May the God of all Mercy, follow this solemn transaction with his Blessing — make it a Means of Repentance & Recovery to the Excluded[2] Person — & a warning to all — especially to Professors of Religion, that they may hear & fear — & avoid those Sins, & the very Beginnings of them, which are follow^d^ with such awful Consequences to the Backslider & Impenitent!

The Chh, after this, at the same meeting, took the Case of our Sister *Rebecca Stephenson* under Consideration — (See Page 219[3]) She having sent in her Confession, it was read to the Brethren, but, some of them, not being fully satisfy^d^ as to the *Fruits of* her Repentance being sufficiently manifested — it was agreed that the Determination on her Case, be postponed for a time.

Lord's Day July 1st 1798. At the Close of divine Service in the Afternoon, agreably to the Desire of the Church, & in Conformity to the Rules of the Churches, in such Cases, as appears in the Platform of Chh Discipline, owned by the Congregational Churches in this Land — The Pastor did publickly make known the Case of *Jesse Churchill* (See the foregoing Page[4]) & the *Vote* of the Church *Excommunicating* said *Churchill* from their fellowship — stating the

Grounds thereof, by reading to the Congregation the Substance of their transactions, last Thursday — And then, the Pastor, (s^d *Churchill*, being absent, thô directed by the Pastor in writing, to attend on the occasion) did solemnly Declare the Sentence of *Excommunication*, in the following words — [agreable to the form in Dr Mather's Ratio Disciplinæ, or form of the Discipline, used in the New England Churches.][1] Viz^t

And now, in the Name of the glorious Lord Jesus Christ, & with the Concurrence of his Church & faithful People, I [226][2] I do declare (you) *Jesse Churchill*, having by (your) his Sin procured it, to be *cut off* from all the Priviledges and Expectations of such as are in Covenant with the Churches of God. I declare (you) him to belong *visibly* to the sinful & woful Kingdom of Satan, the Ruler of the Darkness of this World. I declare (you) him to be a Person, from whom Christians, the followers of our holy Lord are to "withdraw themselves, as from one that walks disorderly." And this just Sentence, now passed upon [you][3] him, by the Church in the Name & by the Authority of Christ, is but a Prelude & Representation of a Sentence, far more dreadful to be passed upon (you) him, in the Day, when the Lord Jesus Christ shall come to judge the world, Except it be prevented by a seasonable Repentance — which, may our gracious God, of his infinite Mercy bestow upon him (you) — for which, let us pour out our Prayers to God on this solemn & mournfull Occasion!

Upon this, Prayer was offered up to God, that this last Step of Discipline, may be blessed as a Means of bringing the *Excommunicated*, to Repentance, & that "his Spirit may be saved in the Day of the Lord"!

During this Transaction in public, a great & awful Solemnity appeared in the Congregation, with many Tears. May it be sanctify^d for the Good of us all — & May those who think they stand take heed lest they fall, & may all who name the Name of Christ, work[4] out their Salvation with fear & Trembling — & fear, lest a Promise being left of entering into his Rest, they sho^d seem to come short of it![5]

Delegates, in the ordination of *Mr Oliver Cobb,* to the pastoral care over that Chh & people. The Chh Voted to comply, & chose Deacons *William Crombie Deacon Ephraim Spooner,* & *John Cobb,* as *Delegates,* to represent the Chh on that Occasion. Vote.

Jany 29th The Chh met, according to the above notification, and, after opening the meeting with Prayer, discoursed on several Subjects, conformable to the original Design of these Meetings — on discipline. It appearing that several of the members, had, of late, walked unbecoming their christian Character & Profession — & *that,* in such instances as are known to the world, & become matter of comon Report, the[1] Chh thought it their Duty to make more particular Inquiry into them — And accordingly, Voted that Deacons *Crombie* & *Spooner* be a Committee to go & enquire into the Report of our Sister *Bethiah Howard's* Intemperance in the use of Strong Drink, & violent, passionate Speeches & behavior.

The same Comittee to go to our Sister *Sarah Morton,* (formerly *Boies*) & know the Grounds of the Reports of her scandalous Intemperance, for some time past — & also concerning her contemptuous treatment of the Chh, in Coming[2] to the Sacrament, but a few days after she was seen in a Posture of Drunkeness and had been desired by a Comittee of the Chh not to come untill she had manifested her Repentance & given Satisfaction.

At this Meeting, the Chh also Voted, that *Deacon Bishop* & Bro *Solomon Churchill,* be a Committee to go & talk with our Brethren *John Carver* & *Lemuel Bradford,* respecting their *playing at Cards,* in a public place, before several, who were not of the Chh, (& who expressd their surprize at such Conduct in Members of the Church).

Also, the same Comittee, to go & discourse with Bro *David Lothrop,* who is too commonly reported to intemperate, & has drank strong drink to Excess, evincd by its Effects.

These Comittees to make Report to ye Chh at ye adjournd Meetg *Febr 12th* inst. To wc time the Meetg was adjournd — Then closed with Prayr — Perfect Unanimity. [2] 1799 Chh Records

Tuesday. Febr 12th The Chh met at the Pastor's house, agreably to Adjournment — The Committees, each, made Report of their Commission. Viz, That, with Respect to our Sister *Bethiah Howard,* She denies the Charge of Intemperance, wholly. But acknowledges rash, passionate Language, which she is too much addicted to, confesses her Sin in this regard, & desires to be humbled for it & asks forgiveness of God & her Brethren.

& Votes of the Chh on the several Cases.

With respect to Mrs *Morton* (once *Boies,*) They discoursd with her also, & Report that she, likewise deny'd ye Charge of Intemperance, & persists in it. As to the charge of casting Contempt on ye Chh, (as mention'd above) it appeard, that it seemd to arise, not from obstinacy, but rather from ignorance of her Duty in that Case.

The other Comittee also report, That, with respect to our Brother *John Carver,* He confessd his Crime, as charg'd against him — was now convincd it was wrong, sinful & dishonouring to God & his Profession — appeard penitent, beg'd forgivness of God & the Chh, & promissd by divine Aid, to walk more Cautiously, & circumspectly for the future, & hoped he should give no Occasion of Grief to his Brethren, or bring any further Reproach on Religion by his Misconduct. [3] 1799 Chh Records

And with respect to our Brother *Lemuel Bradford,* the Committee report, that having conversed with him, he acknowledged the Fact charged against him — that he did not, at the time of it, reflect so much upon it or think it so great an Evil — that he was drawn in to it — & was ignorant of the explicit Vote of this Chh against playing Cards, (having lived out of town for some years) but, that had he known what he now does, he shod not have complyd — he own'd he did it, thrô the Temptation of Satan, & his own wicked heart, & is sorry.

With respect to the last — viz, the Case of our brother *David Lothrop,* he appeared exceedingly penitent & humble acknowledged his Sin, & with Tears confessed & desired to be humble before God & Man, for the Wound bro't hereby on Religion — aks^{d} forgivness of God & his Brethren, & hop'd, thrô divine Assistance, he should hereafter, walk humbly and circumspectly, & give no further occasion of Stumbling, to any.

Whereupon, the Chh, upon further deliberation & Conversation on each Case, Seperately — Came to the following Votes.

Voted — viz, That this Chh is not satisfied with the Report, respecting our Sister *Howard,* as to her Denial of ye Chh of *Intemperance,* & her positive declaration of innocency herein, as there have been so many Circumstances, in time past, which give too much reason to believe she is guilty. — And that she be desired to withdraw herself from special Ordinances, untill she shall upon Reflection, give further proof, & more satisfactory Evidence of her Innocence, or entire Reformation.

Voted, That this Chh are also dissatisfied with the Report respecting our Sister *Morton* — for the same reason as the above, viz her positive Denial of *Intemperance,* when there has been such evidence of her having been guilty — & therefore that she be desired to withdraw herself from Cōmunion, till she give shall, by her fruits, & acknowledgment, give Satisfaction. — That, as to other Charge against her, of *Contempt* &c. the Church overlook & forgive it, on the ground before mention^{d} viz *Ignorance* [4] 1799 Feb^{r} Chh Records

Next, With respect to our Brother *John Carver,* the Chh Voted, that, as he freely acknowledges, & appears to be humble for his Sin, he is forgiven, & restored again to Christian Charity. Voted

Also Voted that for the same reason, this Church forgive & restore to their christian Charity, our brother *Lem^{l} Bradford.* Voted

Also — Voted, (our Brother David Lothrop being present at this meeting, & confirming all that the Cōmittee reported) That the Chh freely forgive, & recieve him to Christian Charity.

Finally, Voted that the *same Cōmittees* who discours^{d} with these persons, go & inform them of the doings of the Church at this Meeting — & give to each, such solemn, faithful, tender & christian Counsel & Admonition, as their respective Cases appear to call for. The Chh, in all these transactions was perfectly unanimous, & I Voted

It was not my temporal ease & enjoyment merely that were concern[d] but the Eternal wellfare of my own Soul, & the Souls of a numerous & destitute Flock. This was a subject, therefore, Which Justly claimed, & I trust in God has received, my most Serious attention, & prayerfull deliberation.

In Determining this important question every inferior[1] consideration must give place to a Sense of duty. No fears of my own from whatever cause they might arise should influence my decision, contrary to the dictates of reason & conscience. no human remonstrance, however well intended, aught to Make me blind to the path of my duty, or deaf to What I feal to be the call of Gods Providence, — My determination has not been hasty, but calm & dispassionate — It was not formed alone, but in a multitude of Counsellers." not from any rash [6] Confidence in my own frail Judgment, but after repeated & fervant Supplication at[2] the Throne of Divine Grace that Almighty God for the sake of his own Son & his Sons cause in the world would vouch safe to me his Holy Spirit, for Guidance & direction.

If their be[1] any individuals in this Church or Society — who Continue dissatisfied, who have heared with painfull Emotion this declaration of My Acceptance on [7] Account of a Sincere[2] & honest[3] belief that I am not quallify[d][4] for a Minister of the Gospel, I acknowledge before them my own unworthiness. I lament with them, that I am not better Quallified for takeing Upon me the Solemn Charge, but while they realize with me the Greatnest of the Work I am about to Undertake; While they tremble with me Under an Apprehension of my unfitness & insufficiency, they will not withhold their constant & fervent Supplication for the all sufficient grace of Christ that I may be thoroughly furnished for the arduous work — that I may be faithfull to my own soul & the souls of this people & be enabled so to Preach and they to understand that I may save my self and them that hear me

And may God Almighty bless our united & mutual endeavours in the great work of religion, that haveing served him faithfully together in this his Earthly temple we may finally be found accepted of him through the Redeemer, and made Worthey to Joyn with Saints & Angels in keeping an Everlasting thanksgiveing to God & to the Lamb in the Mansions of Glory.

Sep^{t} 17th Met agreeably to the above notification at the time & place appointed. The Meeting was opened by prayer. After wh. the following request was presented by brother Bishop to the Moderator to be communicated.

1st We request, that all the members, male & female, that wish to be dismissed from their relation to the first chh of Ch. in Plym^{o}, to be formed into chh. estate by the name of the 3^{d} chh of Ch. in Plym^{o} — & that any member, male or female, desire hereafter a dismission from either chh. & join the other be dismissed, if recommended to the other, be granted.

2 ^{ly} We request that an equal proportion of the chh. furniture according to our numbers be granted to the 3^{d} chh, so voted off.

After considerable discussion on the subject respecting the proper mode of proceeding, the meeting was adjourn^{d} to thursday, the 24. Sep^{t} instant.

Sep^{t} 24th The Chh. met agreeable to adjournment at the house of the Pastor; when the petitioners explained their meaning in the clause respecting the dismission of members from one chh to the other hereafter, with a recommendation. They said they had nothing further in view by inserting the above clause, than that the removal of relations from one chh to the other in future be regulated according to the usual practice of this, & other congregational churches in N. England. They also relinquished their pretended claims to the chh. furniture, being convinced, that, as it was given to the first Chh. the present members were not exclusively entitled to it, &, therefore, had no right to the disposal of it. They asked only for the privilege of using it a certain time, till[1] it was convenient [14[2]] for them to furnish their own table.

Agreeable to a vote of the Chh. the names of the petitioners were produced; & were annexed to their petition in the following manner:

We the subscribers being members of the first chh. of Christ in Plymouth request to be dismissed from our relation to the first chh. & established in a church estate amongst ourselves, by the name of the 3^{d} chh. of Christ in Plymouth.

Oct. 14th This day, agreeable[1] to previous appointment, was religiously observed as a day of special, solemn *Fasting, humiliation* & *prayer* — in consequence of a *distressing sickness* & *very great mortality,* wch for six weeks has prevailed in this place, chiefly among the children.

Oct. 17th Stayed the Chh; & communicated to them the following letter from the Honble Judge Davis.

Plymouth Oct. 11. 1802

Dear Sir,

I return herewith the first Volume of *Church Records,* with which you lately favored me for perusal. Accept my acknowledgments for the indulgence. I have read a considerable portion of the Book, & with a great degree of satisfaction. It is a precious morsel of antiquity; & one cannot peruse it without feeling solicitous, that it may be preserved from the possible fatality of accident, or the Slow, but sure, ravages of time. The Ecclesiastical History &c. penned by Secretary *Morton,* would be a suitable appendege to his *New England's Memorial,* which has been long out of print, & would, I am persuaded be very acceptable to the public in a *New Edition.* The present generation is at that distance from the founders of *New England,* that it has become interesting to trace the first lines of their History; &, if I am not greatly deceived in respect to the public taste, these plain & venerable originals would be generally & highly acceptable. Feeling a strong desire to have the work accomplished, which I have suggested, it would [18] be gratifying to me to be indulged with the use of these Records for that purpose, & I would cheerfully consent, that the entire profits of the proposed publication should be accounted for to the *Precinct* to constitute part of a fund for the maintenance of the ministry therein.[2]

I am, Sir, respectfully
& with great regard
Your obedt Servt
Jno Davis

Rev. James Kendall.

The Chh. gratefully accepted the above proposition, and Voted, That the Pastor be authorized to loan the the 1st Vol. of

Voted, Also, that the Pastor, Dea. Spooner, & brother Ichabud Morton Jun be a Committee to join a Committee from the precinct to carry the proposed plan into execution.[1]

1803. March 6. Read a letter from the first Chh. of Christ in Dedham to this Chh, requesting their attendance & assistance at the ordination of Mr Joshua Bates, on the 16th instant. Voted to comply with this request, & that brothers Dea. Spooner & Doct. Thacher be the delegates to represent the Chh. — Attended accordingly at the time & place appointed. When the Rev. Mr Bates was solemnly ordained over said Chh & Society. On wh occasion the Rev. Mr Bradford of Roxbury made the introductory prayer. Rev. Mr Flint of Cohasset preached a sermon. Rev. Mr Mellen made the ordaining prayer. Rev. Mr Prentiss of medfield gave [19] the Charge. Rev. Mr. Chickering gave the right hand & the Rev. Doct Tappan closed with prayer.

1804 March 18. Stayed the chh. after service, & informed them, that the time had expired for wh. the furniture was loaned to the 3^d Chh. Authorized the deacons, to notify the said Chh. of the same; & voted to adjourn the meeting to the [2] second monday in April.

April 9. Met agreeably to adjournment at the parsonage house. After opening the meeting, the deacons informed the chh, that the 3d chh, had concluded for the future to provide themselves with furniture for the use of the communion table.

The chh. then proceeded to take into consideration the case of *Rebecca Stephenson,* who several years before had been *suspended* from special ordinances on account of lascivious & criminal behavior. The chh, after due deliberation, finding that "she was nothing bettered, but rather grew worse,"

Voted, That, in consequence of her notoriously abandoned conduct, for the sake of the honor of religion & the purity & safety of the chh, at the expiration of three months if no appearance of reformation should take place,[3] she be *excommunicated* from this chh. Also,

Voted, That Dea. Spooner & brother Ichabud Morton Jr communicate this Vote to[1] s[d] Stephenson.

The case of Bethiah Howard, who also had been under suspension for several years, was postponed for further inquiry. This meeting was adjourned to the 2[d] monday in july.

June 28. Stayed the chh. after Lecture & communicated the request of brother Richard Cooper & wife to be dismissed from the first & recommended to the 3[d] chh. who were dismissed & recommended accordingly.

July 12 Met agreeable to adjournment. After the meeting was opened took up the case of Rebecca Stephenson but some of the brethren being absent,[2] it was agreed to pospone the consideration of it. The case of Bethiah Howard was also posponed, for further evidence, [20] & brother Lem[l] Drew appointed to make the inquiry. Then

Proceeded to the consideration of the request of brother John Kempton to be dismissed from this chh, & recommended to the 3[d] chh. This request appearing to have been the result of misrepresentation & false[3] information on a mind greatly impaired & debilitated by the infirmities of old age, &, therefore,[4] not[5] an act of his own, the chh. conceived it to be expedient previous to giving him a dismission to choose a committee to wait on him, & inquire into the real grounds of the application. It was then

Voted — That Dea. Crombie & dea. Spooner with our brother Ichabud Morton be this committee. The meeting was then adjourned to[6] the 23[d] of July, at 4 oclock. P.M.

July 15. Stayed the chh, after meeting, & were informed by the above committee, that they had waited on our aged brother, Mr. Kempton, in complyance with the vote of the chh. But finding his mind very[7] weak & feeble & incapable of reasoning, still, however, appearing desirous to have his relation removed, they thought proper to use[8] no arguments, & to ask him but few questions. He observed,

that, althô he had been misinformed respecting some matters relative to the proceedings of the chh, which had given him uneasiness; yet having been corrected, he had nothing now in particular against either the minister or the chh. but thot nevertheless that his happiness would be promoted by having his relation removed — The chh, then, notwithstanding the singularity of the case — notwithstanding his connexion with this chh, for upwards of 60 years — notwithstanding his having voted for the present establishment & uniformly expressed his satisfaction while able to attend on the public services — notwithstanding by reason of the infirmities of old age he has been unable to attend public worship any where for nearly two years, [21] & will never probably be able to attend again; — notwithstanding all this, the chh, judged it expedient to comply with his request; & accordingly, Voted that he be dismissed from his special relation to the first chh, & recommended to the third.

July 23^{d} Met agreeably to a previous adjournment, and, after opening the meeting by prayer, proceeded[1] to the consideration of the case of Rebecca Stevenson. On making particular inquiry into her conduct & behavior of late it appeared that there were at least some symtoms of penitence & amendment. The chh, willing to encourage the least appearance of reformation, & thinking that further forbearance[2] might be a mean of stimulating her to a change of conduct, Voted that they would still postpone her excommunication until the next semiannual meeting, which will be the first tuesday in August. Brother Lem^{l} Drew & Dr Cotton were appointed a committee to give her this information.

As to the case of Bethiah Howard, on inquiry it was found, that her behavior of late was more examplary, & that there was reason at least to hope that her future good conduct would prove that she was intirely reformed.

Oct. 2. Semiannual meeting; — stayed the chh after comun̄ lecture. Took up the subject of R. Stevenson but several of the brethren being absent, Voted to adjourn the meeting to monday the 15th of Oc^{t} 3 O'clock at my house.

Oct. 15. Met agreeably to adjournment, but few of the brethren being present, Voted to adjourn again, to monday the 22^{d} instant.

[1] Altered from "proceeding."

[2] Here the words "by a" are crossed out.

Oct. 22 Met agreeably to adjournment, & after taking into consideration the character & conduct of Rebecca Stephenson, & finding no evidence of her reformation, voted to continue her suspension from special ordinances until the next semiannual meeting. [22] Continued

Read to the chh. the following request.

The subscribers take the liberty to represent to the Rev. Pastor & brethren of the 1st chh. of Christ in Plymouth, that for several years past we have been members of regular standing in the Episcopal chh.; but being providentially situated at a considerable distance from their place of assembling, we are unhappily deprived of the privilege of participating with them in the ordinance of the Ld's supper. While we unite with your assembly in public worship our minds are deeply affected with grief & concern, that we cannot enjoy with our christian friends the benefits of that sacred ordinance instituted by our common Savior. Acknowledging the same Lord & Master with yourselves, & grounding our faith & hope on the same crusified Redeemer for Salvation we are compelled from a sense of religious duty to express to you our most earnest desire to be admitted to a communion with you in the celebration of the death of our great Redeemer. Your complyance with this our request will afford great comfort & satisfaction to our minds, & we engage to conform to such conditions & to subject ourselves to such rules of discipline as you may deem proper consistently with our connexion with the particular chh. to wh. we belong.

Voted, Unanimously, that they deem it inconsistent & inexpedient to admit him to christian fellowship in any other way, than those persons are admitted, who have had no previous connection with the Chh. viz, by a relation expressive of humility & penetence for past error & sin as well, as sincere desire for admission to the Chh.

The chh, considering her peculiar circumstances approved of the proceedings & voted [29] to receive her as a member in full communion, she being yet living.

Wm Shaw preached from 1 Tim. 4.16: the Pastor this Chh, made the consecrating prayer; the Rev. Dr Sanger gave the Charge; the Rev. Mr. Fish expressed the fellowship of the chhs. the Rev. Mr Simpkins made the concluding prayer.

1814 Jan. 3. Notified the Society of the quarterly lecture & of the semi meeting of the chh. immediately after.

Jan. 30. Lords day. Notified the chh, that there would be a meeting of the brethren on monday following at 3 o'clock at the house of the Pastor.

[1] Written above "of," crossed out.

Jan. 31. Met agreeably to notification. The meeting was opened by prayer. Communicated to the Chh, a letter from the Honble Judge Davis relative to the N. England's Memorial; in which he states, that, from various avocations & engagements, he had been unable to complete his intentions [34] of preparing for[1] the press & printing a new edition of the Memorial as he had proposed to the chh. some years since. (see page 17[2]) That Mr Avery had lately conversed with him respecting reprinting the Memorial, & that they had concluded the work should be published under his direction. That an extract from the first Vol. of Chh. records should be attached to the N. E.s Memorial as an appendix making over 100 pages. That he had stipulated with Mr. Avery that the First Chh. in Plymouth should have the benefit of the *copy right*, if they chose to have any participation in this edition; expressing "a wish that the proceeds, whatever they may be, be put to interest — the Income to be applied by the officers of the Chh, for the relief of the poor of the Chh."

After some conversation on the expediency of accepting this proposal, Voted, — That Dea^n^ Spooner, Gen. Goodwin, Capt Russell & Dr Thacher with the Pastor be a Committee to make such an arrangement relative to the copyright with Mr Avery as should be most for the interest of the chh.

Dea. Spooner & brother Simmonds, who had been appointed at a former meeting as a committee to call on our sister Polly Clarke, & inquire into the cause [35] of her absenting herself from the communion & worship of this Chh, & Society, after having been repeatedly reproved for her misconduct in this respect, reported, that they had performed the duty assigned them — that the offender appeared to be convinced of her irregular[3] conduct in withdrawing from the communion in the manner she had done, altho' she tho't she could worship to more edification elsewhere; & manifested a disposition to make suitable satisfaction to the chh, & said she would take an opportunity & call on the Pastor for this purpose. It appearing that she had not called on the Pastor agreeable to her engagement, therefore, Voted, that the Pastor call upon our Sister

Polly Clarke, & inform her that unless she made seasonable & satisfactory[1] concessions to the chh, for her disorderly walk, the chh, would be under the necessity of taking some decisive step with respect to her.

Feb. 2. The committee appointed to make an arrangement with Mr Avery relative to the N.E.s Memorial met Mr A. at the house of the Pastor; &, after conversation had with him, agreed to convey to him the copy right of the New Edition of the Memorial with the extract from the Church records on the following conditions, viz. That he should give to the chh. sixty volumes of s^{d} Memorial neatly [36] bound & lettered, for the *first edition* provided that not more than 2000 copies be printed; and at the rate of 5 pr cnt. for[2] all he should publish over 2000 copies of *this edition*.[3]

Feb. 8. It is understood that this conveyance of the copy right by the Committee of the Chh, to Mr Avery is limitted exclusively to the *first edition* of this new & improved N. England's Memorial. And as security to Mr Avery the Committee in behalf of the Chh, agree that they will not dispose of, so as to cause to be printed, a second edition so long as s^{d} Avery shall have 200 copies remaining unsold.

1815. April 30. Sunday after service, notified the Chh, that there would be a meeting of the brethren on the thursday following, immediately after Com. Lecture.

May 4th Met by appointment at the house of the pastor, & read to the brethren a communication from Jesse Churchill expressive of humility & penitence, & of a desire to be restored to a regular standing in the Chh, & received into $\frac{\text{their}}{\text{our}}$ christian fellowship & communion. After considering this communication, (wh, may be found among the papers belonging to the chh) & being satisfied from his life & conversation of its sincerity, the Chh,

Voted, unanimously, that agreeably to his request, our brother, Jesse Churchill, be restored[4] to a regular standing in the Chh, & received again into our christian fellowship & communion. [37]

1815 June. 25. Stayed the Chh. after divine service, & communicated to the brethren a letter from the Chh. & Society, thro' their Committee, of the East Parish in Barnstable, requesting their assistance & advice by their pastor & delegate in council, on the 28th instant, on account of a difficulty subsisting between sd chh, & Society, & their pastor, the Rev. Jotham Waterman.

Voted to comply with the request contained in the letter missive, & that our brethren, Gen. Goodwin, be the delegate to represent the Chh.

June 28, 29. The council, mutually chosen, met conformably to letters missive, consisting of Rev. Mr Damon of Truro, Rev. Mr Bentley of Salem, Rev. Mr Briggs of Chatham, Rev. Mr Frothingham of Saugus, Rev. Mr Davis of Wellfleet, &[1] The Pastor of this Chh with their delegates. Mr Richardson of Hingham was not present. After investigating the grounds of complaint, the chief of wh, was *intemperance* on the part of Mr Waterman, & the consequent imprudences & irregularities resulting from this habit, & finding the charges supported by creditable witnesses, the council Voted unanimously to recommend an intire dissolution of the pastoral relation between Mr Waterman & his Chh, & Society; & also that Mr Waterman cease from the exercise of his ministerial functions.

Oct. 30. Communicated to the Chh, a letter missive from the East Chh, & Society in Barnstable requesting their assistance at the ordination of Mr Oliver Hayward, their pastor elect, on the 8th of Nov next Voted to comply with this request, & chose Dr Thacher & W. P. Ripley as delegates. [38]

1815, Nov. 8. Council convened at the East Parish in Barnstable agreeably to letters missive, on which occasion the Rev. Oliver Hayward was solemnly consecrated & ordained as a minister of the gospel over the Chh, & Society in that place. The Introductory prayer was made by the Rev. Mr Davis of Wellfleet; the sermon[2] was preached by the pastor of this Chh. from 1. Kings 22.14; Consecrating prayer by Rev. Doct. Allyne of Duxboro'; Charge by Rev. Dr Shaw of Marshfield; Fellowship of the Chhs. was expressed by Rev. Mr Pratt of the West Parish in Barnstable; concluding prayer by Rev. Mr Fish of Marshpee.

1816 June 18. Agreeably to notice the preceeding sabbath, the brethren of the Chh, met at the house of the pastor. Opened the meeting by prayer for divine direction & blessing. A proposition was then made to the Chh. to know whether at this time they would come to the choice of a Deacon to supply the place made vacant by the death of Dea^{n} Crombie. After deliberation it was voted to postpone to a future[1] meeting filling this vacancy in order by inquiry & consultation it may be done with the greatest possible harmony & unanimity.

The subject of brother Benj^{a} Whiting's irregularity & intemperance was then taken up. And it appeared that several brethren of the chh, had repeatedly conversed with him on this painful subject, [39] and had endeavoured to impress on his mind the injury he was doing himself & his family, the wound he was giving to religion, the dishonor he was bringing upon his profession, & the grief he had[2] occasioned his brethren. And urged the necessity & importance of a speedy reformation. It appeared also that the pastor had written him to the same effect; but that no evidence had been given of such reformation, but the contrary. It was, therefore,

Voted, that a Committee of two of the brethren be appointed to visit him, & further to remonstrate with him, on the subject of his intemperance, & urge every possible motive to effect his reformation. And that Brother Wm P. Ripley & brother I. Morton be of this committee.

After some further conversation on other subjects relating to the interest of the Chh, Voted to dissolve the Meeting.

1817 Jan. 26. Communicated to the Chh, a letter missive from the First Chh, & Society in Marshfield, requesting their assistance by their Pastor & Deligates at the ordination of Mr Martin Parris.

Voted to comply with this request; & that Gen. Goodwin & Capt. N. Russell be the Delegates to represent the Chh.

29. Attended the ordination conformably to the vote of the Chh, when the Rev. M. Parris [40] was solemnly inducted into the Pastoral Office. On wh, occasion the Rev. Mr Thomas of Scituate made the Introductory Prayer; Rev. Mr Willis of Kingston preached

the Sermon; the Pastor of this Chh. made the consecrating Prayer; Rev. Dr Allyn of Duxboro'[1] delivered the Charge; Rev. Mr Leonard of Marshfield expressed the fellowship of the Chhs. and the Rev. Mr Richmond of Halafax made the concluding Prayer.

1818 Jan. 25. Stayed the chh, after divine service, and communicated[2] to them the request of Sarah Bartlett, the wife of Freeman B. to be dismissed from her special relation to this chh, & recommended to the third Chh, in Plymouth. But not feeling satisfied with her reasons for this request, & not entirely with her conduct, in absenting herself from communion, when able to attend worship in another society in town, it was Voted, to postpone the consideration of her request until the first tuesday in[3] February, to wh, time the meeting was adjourned.

Feb. 3. Met agreeable to adjournment; after opening the meeting by prayer for divine guidance & direction; the request of S. Bartlett was again deliberated upon; And it was deemed expedient to choose a committee to wait upon her, & ascertain the precise grounds of her request. Accordingly it was voted, That the Pastor, Dea^{n} Drew, & brother Wm P. Ripley be of this committee. The meeting was then dissolved, being concluded with prayer. [41]

March 5. — The Chh, met agreeably to notice given the preceeding sabbath. After opening the meeting by prayer, the Committee appointed for the purpose informed the Chh, that they had an interview with Sarah Bartlett; & that there appeared to be a general dissatisfaction in her mind both towards the Pastor & Chh; but that this dissatisfaction in their opinion was occasioned more by the interference of others connected with her own infirmities (being very deaf) than any true & reasonable grounds. But that there appeared to be no hope of doing away these prejudices so as to satisfy her with remaining in connection with this Chh. There being some peculiarities in the case, & it being deemed improper & irregular to give her a dismission & recommendation under existing circumstances — & not having made up their minds with respect to the proper course[4] to be taken — it was voted to adjourn the meeting until

monday next, March the 9th, with a view in the first place of making choice of a Dean to fill the place made vacant by the death of Dean Crombie.

March 9th The brethren met agreeably to adjournment. After opening the meeting & addressing the throne of grace for divine guidance & direction, it was voted that the Chh at this time make a choice of a Dean to fill the office made vacant by the death of Dean Crombie. On collecting & counting the votes it appeared that brother William P. Ripley was unanimously chosen. May a divine blessing follow this solemn transaction, conducted with so much unanimity and harmony by the brethren. [42]

The case of Mrs Bartlett was then taken up. After due & mature deliberation, it was Voted unanimously as the first proper step to be taken in this case, that she be requested to make a written acknowledgement to the Chh, for her irregular and improper conduct in absenting herself not[1] only from public worship, but from the Lord's table, at a time when she was able to attend public worship at another Society in town equally distant, & before she had applyed for a dismission & recommendation.[2]

In order to avoid perplexity & embarrassment on any future application of this kind, & to prevent being pressed for a hasty decision by any particular regulation of any other Chh. it was voted to adopt the following as a rule of proceeding. That on application being made for a dismission from this Chh, with a view to join some other Chh, that the Church will grant a *dismission only*, unless the distance of removal be so great as to render it necessary and proper that a *recommendation* be added for the purpose of giving information respecting the character of the applicant. [It was understood that this rule was not to apply to the case of Mrs Bartlett.][3]

Sally Kendall, the wife of the Pastor of this Chh, being dismissed from the Chh, in Templeton & recommended to our christian fellowship & communion, it was unanimously Voted that she be admitted as a member in regular standing & in full Communion with

this Chh. The meeting was then dissolved, being closed with prayer. [43]

March. 15. At a meeting of the Chh, immediately after divine service — informed the brethren that Sarah Bartlett declined acknowledging any irregularity or impropriety of conduct in absenting herself from the Communion as stated at a former meeting, because she did not feel conscious of any; and requested, if the Chh, could not consistently give her a recommendation, that they would grant her a dismission without it. The brethren, tho' satisfied that her conduct in this respect was irregular & improper, were nevertheless willing to comply with her request as far as they could consistently, choosing rather to dismiss her, than to detain her contrary to her desire. Accordingly it was

Voted, that Sarah Bartlett, the Wife of Freeman Bartlett, at her particular request, be dismissed from her special relation to this Chh. with a view to connect herself with the third Chh. in Ply.

Nov. 29. Stayed the chh, after divine service, & communicated to the brethren a letter from Mary Clark, expressive of her sense of the irregularity & impropriety of her conduct in absenting from their Communion & worship without a regular application for her dismission from the chh. & asking the brethren to forgive her & consider in regular standing, as her conduct in this particular resulted from want of consideration rather than an intention to give offence or violated her covenant. The Chh, Voted, in consideration of this[1] acknowledgment [44] to forgive her, & consider in regular standing. This acknowledgment was accompanied by a request to be dismissed from her special relation to this chh, with a view to join the Chh, in Eel River. But the consideration of this request was postponed to a future meeting of the Chh.

Dec. 6.[2] Stayed the Chh after service with a view to take up the subject of Mary Clark's request.

In consideration of the circumstances of Eel River being the place of her expected residence & the convenience of her worshipping with the Society now organized & established there, it was

Voted unanimously that our Sister Mary Clark, now a member in regular standing with us, be dismissed at her particular request

from her special relation to this Chh, with a view to join the 4th Chh of Christ in Plymouth.

1821 May 21. At a special meeting of the brethren of the Chh, at the house of the Pastor, communicated a letter from the Honble Judge Davis, suggesting for the consideration of the Chh, the expediency of transferring the Copy right of the New England's Memorial, of which they had become the rightful owners by a gratuitous proposal of the Judge, to the Pilgrim Society as having peculiar relations to a work of this kind [45] and affording more extensive patronage; intimating, at the same time, that the transfer be made on such terms as to secure to the Chh, the same profit for every future edition, wh, they are now to receive[1] for the first edition by the arrangement with Mr Avery. (See page 35[2]) After being made acquainted with the reasons & motives for vesting the copy right in the Pilgrim Society, & ascertaining the Judge's wishes respecting it;

Voted, unanimously, that this Chh, relinquish their claim to the copy right of the New England's Memorial, & transfer the same to the Trustees of the Pilgrim Society; if they choose to accept it on terms similar to those agreed upon between Mr Avery & a committee of the Chh, for the edition now printing & soon to be published.

Voted, also, that brothers, Dr Thacher & N. Russell with the Pastor, the surviving members of the Committee who made the arrangement with Mr Avery, be a Committee for making the necessary arrangements with the Trustees of the Pilgrim Society.

It was likewise Voted that the thanks of the Chh, be presented to the Honble Judge Davis for the interest he has taken in the first Chh, & the liberal donation he has made & provided for the benefit of the poor of the Chh. [46]

1821. Augt.12.[3] After divine Service communicated a letter missive from the Chh in Wareham requesting our assistance at the ordination of Mr Hemenway on the 29th instant over the Chh, & Society in that place. Voted to comply with their request, & chose Brother Simeon Dyke, delegate.

to assignment: But in consequence of the extraordinary & unprecedented proceedings of the Council, relative to Rev. Mr Goodwin of Sandwich & his Chh, in voting that he was not the Pastor of a regular Chh, & of course had no [1] right to assist in Council — The Pastor of this Chh, having protested against this proceeding as unjust & oppressive as respected Mr Goodwin, & as a violation of the rights of the Chh, & Society in Wareham, who had invited him, & by their letter missive, given him a right to a seat in council,[2] decline officiating as Scribe of the Council, or taking any part in the transactions of the day. The Candidate was, however, ordained.

Sept. 2. Sabbath, after divine service, communicated a letter from the Chh, & Society in the South Parish in Bridgwater, requesting the assistance of this Chh. on the 12th instant at the ordination of Mr Richard M. Hodges their pastor elect.

Voted to comply with this request, & chose brother Dr N. Hayward, delegate. [47]

1821 Sept. 9. Sabbath after divine Service communicated a letter from the religious Society in the East Parish in Bridgewater, requesting the assistance of this Chh, on the 19th inst. at the ordination of Mr Benjamin Fessenden.

Voted, to comply with the request, & chose brother John B. Thomas delegate.

Secretary of the Trustees of the Pilgrim Society

March 24. Sabbath, after public service — Notified the brethren of the Chh. that there would be meeting of the brethren on tuesday evening following at the house of the Pastor, principally for the purpose of choosing a Dea[n] to fill the vacancy occasioned by the[1] the death of Dea[n] Spooner.

March 26.[2] Met agreeable to the above notice. The meeting was opened by prayer. [51] The brethren concluded that they would come to the choice of a Deacon this evening. After considerable delay, occasioned by a disaffected brother's introducing a subject of controversy — relative to the doctrine of the Trinity; the brethren proceeded to bring in their votes for a Deacon. On counting them, it appeared that brother Rosseter Cotton was unanimously chosen to fill that office. And he consented to accept the appointment. An[3] application had been made by two or three members to be dismissed from their relation to this Chh, with a view to join the third Chh. in Plymouth. But the evening being spent it was,

voted to adjourn the meeting three weeks, to tuesday evening, the 16th of April.

April. 16. Met agreeable to adjournment. After opening the meeting by prayer; the request of the wid. Phebe Cotton & Priscilla Sampson, wife of Capt John Sampson was taken under consideration. And after due [1] deliberation it was

Voted, that our Sisters, Phebe Cotton & Priscilla Sampson, members of this Chh, & in regular standing, at their particular request be dismissed from their special relation to us, with a view [2] & intention of connecting themselves with the third Chh, of Christ in Plymouth.

The brethren also consented, that our brother Ichabud Morton, who had requested a dismission, should be included in this Vote, provided that he had made a selection of the Chh, with wh, he wished to be connected.

The meeting was then dissolved. [52]

1823 May 4. Stayed the Church after divine Service & communicated a letter from the Pastor & Church of the first congregational Society in New Bedford, requesting the advice [3] & assistance of this Church by the Pastor & delegate to unite in Council relative to the dissolution of the connexion between the Rev. Mr Whitaker & the Chh, & Society of wh he is pastor.

Voted to comply with this request on the contingency that the Pastor should not be prevented [4] from attending on account of sickness in the parish.

July. 6. Notified the brethren of the Chh, after divine service, of a meeting of the [5] Chh, on wednesday afternoon at 4 o'clock at the house of the Pastor.

July. 9. Met accordingly. Stated to the brethren, that the principle object for wh, the meeting was called was to consider the expediency of altering the terms or conditions of becoming members of the Chh, & enjoying Christian privileges; & in order to render them more conformable to the [6] requirements of the gospel, more agree-

During a severe tempest, that passed over this region in the morning the *New Church* was *struck* by *lightning*. One of the pinnacles on the North side of the tower received the fluid — the lightning running down to the bell-deck room, crossed in a diagonal direction to the South west, till it came in contact with one of the columns — and then passed down the inside of the column to the ground. The pinnacle was destroyed, and the plastering[1] forced from the column — and the granite pillar, upon which it rested, was removed. No other damage[2] was sustained by the tower; and the body of the building was not injured at all. Although several persons were within the tower at the time, and two in the bell-deck room — yet no one suffered the slightest injury.

After conversing upon the interests of the Chh, and the best means of promoting its increase and prosperity[2] — it was voted, unanimously, to adopt the following Profession & Declaration as the form & condition, in future, of admission to the Chh, and of partaking of the ordinances of the gospel

Believing the scriptures of the Old and New Testament to contain the word of God, and to be the only and a sufficient rule of faith and practice; — it is my (or our sincere) desire and purpose of heart in professing this belief — in joining the Chh, — and partaking of the Ordinances of the gospel[3] — by the aid of his grace — to *live by the faith* of *the Son*

of God, and thus to walk in all the[1] Commandments and Ordinances of[2] the Lord blameless.

It is to be optional with the applicant to manifest his or her assent to this *profession*[3] either in public, or to the Pastor in private; — and, by so doing the person is to be recorded & declared to be a member in full Communion with the Chh. This *form,* being so much in harmony with "the Simplicity that is in Christ" — and so conformable to the primitive practice [79] of the Chh, — it is hoped and believed will tend to remove from the minds of[4] sincere and devout persons every reasonable objection against joining the Chh, and availing themselves of the satisfaction and benefit of enjoying the christian Ordinances. May this harmonious proceeding of the brethren[5] be followed by the favour and blessing of[6] the great Head of the Chh, — and result in the growth & prosperity of our spiritual Zion.

FALL RIVER, Nov. 10th 1837.

To the Fall River Unitarian Society —

CHRISTIAN BRETHREN,

I have received an Invitation from the First Parish in Plymouth, to become Associate Pastor with Rev. Dr Kendall, their present Minister. For some time past, and especially within the last two months, I have thought that the circumstances of our Society here were such as to make it my duty soon to ask, that the connexion between us might be dissolved. Indeed, I had determined, before any proposition was made to me to go elsewhere, unless some entire change should take place in the condition and prospects of the society, to make that request very soon. Such being the case, I thought it right to say to the people of Plymouth, when that question was put to me, that there would be no improper interference on their part in giving me a Call to come among them. And I now feel it to be right, and for the best, to ask that [3] our connexion may be dissolved, in order that I may accept their Call.

[1] Altered from "invitted."
[2] The word "Attest" is erased before "Pastor."
[3] Here "the" is crossed out.

It is with regret that I make this request. I regret to have such a bond broken, as has united us. There has been no discord between us. You gave me a kind and hearty welcome among you, when wholly inexperienced in the duties of my profession. And notwithstanding the many imperfections, as far as I know, the same kind feeling has always [82] continued. From my heart I thank you. And let me assure you, my brethren, that wherever Providence may direct my steps, I shall remember with interest this scene of my early labours, and the many friends I have found here. And my earnest prayer is, that the seed, which I have sown in weakness, may be raised in power — and that however wide apart our paths in life may be, they may bring us all at last, to the unbroken union of the pure in the better world.

Very truly your friend & brother,

George W. Briggs.

Fall River, Nov. 14. 1837.

Dear Sir,

At a meeting of the unitarian Society, on the evening of the 10th inst, a letter from you to the society was read, in which you request that the connection [1] now existing between yourself and the society may be dissolved.

The undersigned were directed by a Vote of the society to reply to your communication, and to desire you to name the time when you wish the connection to cease.

We take the liberty to add, that the pain we feel at parting with you, who in an eminent degree have won our respect, esteem, and love, pervades the whole society; and, perhaps, more than ever do we deplore that *situation* [83] in our circumstances and condition, which determined you to request a dissolution of those bonds, by which we are united. — But it affords us some relief that our *parting* is not caused by any discord between us, and will tend to your pecuniary benefit and, we trust, happiness.

That such may be the result of the separation, which must soon take place; that a more deserved success may attend your future labours; and that our common Father may ever guard, protect, and bless you, and all dependent on you — is the prayer we all devoutly offer.

Rev. Mr Briggs' answer to the Invitation of the First Congregational Chh, & Society in Plymouth.

Fall River Nov. 15th 1837.

To the members of the First Parish in Plymouth: —

Christian Brethren,

I have received your invitation to become Associate Minister with the Rev. Dr. Kendall. This whole movement, my Brethren, seems to me to have been directed by the finger of Providence. I came among you at my last visit apparently by accident, and without the slightest dream of the present result. Your unanimous approbation and desire for me to come among [84] you, under such circumstances, has filled me with gratitude and surprize. I know not why your hearts have been thus turned towards me. Still I think, that Providence directs me to accept your kind invitation. In the hope that this new connection may be blessed, tho' still with many apprehensions as to my own power of serving you, I do, therefore, accept it.

The little experience, which I have had in the office of a christian Minister, has increased, rather than diminished, my sense of its importance. Each successive year indeed has made me reverence that office more, and pressed more deeply upon my heart a conviction of my incompetency to fill it worthily.

But, my Brethren, I will do what I can. I trust in your readiness to look with kindness and sympathy upon the efforts I may be able to make. You have called me to a place rich in stirring associations — to "holy Ground." I trust I may obtain guidance and inspiration by walking in the light of the bright example of the sainted dead, who have dwelt there — and of the beloved living, now in your midst. I trust to that Providence wh, gives the needed strength to the seeking spirit, and which permits no earnest effort in the cause of truth and righteousness to be made in vain. [85]

With fervent prayers for your continued prosperity, my Brethren,

I am respectfully and affectionately Yours

Geo. W. Briggs

[98]

PLYMOUTH, Dec. 22d 1852

To the Parish Committee — of the First Parish in Plymouth: —

CHRISTIAN FRIENDS —

It is known to you, that the First Congregational Society in Salem invited me in Augt last to become their Minister. At that time I gave a negative answer to their invitation. My refusal, however, was based upon reasons, which do not now exist, in the changes, which have since occurred. And, during the laste week, the Society has unanimously renewed its Original invitation.

For the last six Years the question of remaining in Plymouth has frequently been presented to my Mind. For a great variety of reasons I have found myself constantly tending towards the conclusion, that it would be better for me to enter some other field of labor — and better for the Parish to have some other Minister. In two or three instances, in which the decision for the time depended upon some contingency in the Parish — I have presented the question to you. But I thought last year, that, until the result should become clear to my own[1] convictions, I would not again mention the subject to you. It seemed more proper for me — more just to you, — not to raise the question again, until I could communicate my own sincere and deliberate conclusion.

I trust, therefore, that you will understand and excuse the apparent abruptness of my communication to you — when I now resign my connection with the Parish as its Junior Minister. To avoid misconception in one particular — let me say, that my resignation has no connection, in any form — with pecuniary considerations. I have never asked nor wished — [see 100 page][2]

1853. March, 4th At an adjourned meeting of the brethren of the Chh. at the house of the Pastor — in consequence of some misunderstanding of the Notice given of the meeting — and few of the

brethren present — it was deemed expedient further to adjourn the meeting until the evening of the 13th inst. for the purpose of filling the vacancies in the office of Deacon of the Chh. — occasioned by death or otherwise; Notice to be given of the meeting — with a request for the attendance of *all the members* of the Chh. — from the pulpit — on the sabbath previous to the Meeting — being the 13th inst.

March 13th Met agreeable to the above Notice at the House of the Pastor; and after opening the Meeting as usual by prayer — proceeded to make arrangements for filling the vacancies in the office of Deacon. The names of the following brethren were proposed by a Committee, appointed for the purpose as suitable persons for this office Viz. Mr Wm S. Russell and Mr. Thomas Russell. These brethren[1] were unanimously chosen to fill the vacancy.

Mr Wm S. Russell — Mary H. Russell — and Lydia M. Kendall — were appointed a Committee to make arrangements in connexion with the Parish for laying a foundation for a Parish Library.

[100] that[2] the Parish should do more for me. I am most grateful that they have done so much. I never expect to find warmer or truer friends, than I found in Plymouth. The confidence of so many steadfast friends through the experience and agitations of fifteen years — I shall never forget wherever I may be. Perhaps, I may have to rely upon that confidence now — in doing what I do, when the reason for it cannot seem so clear to others as to myself. Still I hope that as we have lived in mutual trust hitherto, we may preserve the same unbroken confidence; and that the simple fact of my going away will not affect or[3] change the feeling — which has hitherto known no change.

In regard to the exact time at which my resignation shall take effect — I shall wish for your judgment.[4] Had the question been presented a little sooner, I should have proposed the close of this year. As I came here the beginning of the year and as every arrangement in reference to myself begins and closes with the Year this would have seemed a natural and fitting proposition. Now, however, I refer the question of the time to you — only asking leave to make one suggestion. I do not wish to do any thing abruptly; — still, I believe that any protracted period — after

a decision has been made — would be a trial of feeling in many respects. It seems to me that our connection had better end in the course of January.

May I beg of you to inform me of the conclusion to which you may[1] arrive[2] in this respect as soon as it may be practicable — as it will affect my arrangements both here and elsewhere.

And with the earnest hope, and the confidence, that he who shall take up the work, which I am laying down, will be to you, — and do for you, — far more than I have been able to be, or to do, —

believe me always yours
in Christian fellowship

Lord's day June 30th 1799, died, after a long and distressing illness, The Revd Chandler Robbins D D. The justly & highly esteemed & greatly beloved Pastor of this Church; to the great and inexpressible loss of his bereaved flock, and his other numerous acquaintance. — After having faithfully and indefatigably laboured in this part of the Lords vineyard, nearly forty years, it pleased his Divine Master to release him from his service here, & call him home to receive a gracious reward.

May this awful frown of Providence upon this church be sanctified to their spiritual good, & may the great shepherd of Israel provide for this people a Pastor after his own heart! [2]

The answer of the Committee of the First Parish to Rev. Geo. Briggs' Communication.

PLYMOUTH Dec. 23^{d} 1852.

REV. AND DEAR SIR —

We have rec^{d} yours of yestersay — resigning your connection with the First Parish in Plymouth as its Junior Minister.

It would seem from the tenor of your letter, that your resignation is but the fulfilment of a purpose long cherished — awaiting an event, which has now transpired.

The only question submitted to us is one of time. And although our future is at present somewhat clouded to our view — yet trusting in faith that wise Providence, which overruling all things for the good of his children, we feel constrained to acceed [5] to your desire, that your connection with the Parish may terminate with the close of the present year.

At no period of your ministry here, has there been a time, when your preaching was more universally acceptable, or when you were exciting

a greater religious influence over this people than at present. We had encouraged ourselves to believe, that a deeper interest was apparent among us — and that a brighter day had already dawned upon us.

We shall ever cherish a grateful recollection of the harmonious relations which [1][281[2]] have existed between yourself and the Parish for 15 years; and our best wishes and prayers will attend you in the new field, to which you are called — that your labors may be abundantly blessed in advancing the interests of pure religion — and in promoting the spiritual growth of the people of your charge.

Yours in Christian Fellowship

Signed by the Committee of the First Parish — Jacob H. Loud Esqr & others.

Mr Briggs second Letter to the Parish Committee.

PLYMOUTH Dec. 24th 1852.

To the Parish Committee of the First Parish in Plymouth

CHRISTIAN FRIENDS:

I have received your note accepting my resignation of my connection with the First Parish as its Junior Minister. I did not allude to the close of the present year as a natural period for the termination of my Ministry — because I had any idea of closing it at that time. It only occured to me, that you might think of embarrassments in respect to the subscription — and other arrangements — if a New Year should be commenced. But since it seems best to you to have our connection terminate with the end of the year — I shall avail myself [282 [3]] of the earliest opportunities to call upon every family in the Parish — and to do what I should otherwise have done before my last Sunday of Pulpit service.

My resignation is not so much the [4] the fulfilment of a long cherished purpose, as the result of a conviction, slowly strengthening for years, that if I could do good any where I could do more in some other place — and that some other ministry here might bring the "brighter day," which I have not been able to bring. It is a conviction, which has brought me to a willingness to leave a place, to which I have been and am bound by so many ties — and which I have hesitated to leave, many times, when opportunities have been presented.

[2] At the top of p. [281] is written "Continued."
[3] At the top of p. [282] is written "Continued."
[4] Here "result" is crossed out.

I rejoice in the hope, that my resignation will increase the earnest men of the Parish to endeavor to sustain the religious Institutions which are hallowed by so many associations — rather than diminish its zeal; that will give an assurance, that, under the Ministry of some person, its best interests will be promoted, and its best growth secured.

Yours in Christian Fellowship

Geo. W. Briggs.

Extract from[1] the Parish Records.

At a regular meeting of the members of the First Parish in Plymouth — held on thursday the 19th day of May in the year 1853. Jacob H. Loud was chosen Moderator.

1. It was unanimously voted, that Mr Henry L. Myrick be invited to settle as Colleague with the Rev. Dr Kendall in the Ministry over[2] this Parish.

2. Voted — that in case of his acceptance we agree to pay him one thousand dollars salary per annum.

3. Voted — that the Parish Committee inform Mr Myrick of the doings of this meeting; — and they are authorized to make the necessary arrangements for his ordination provided he accept the Invitation and also to arrange with him all other matters connected with his settlement.

4. Voted — that when this meeting adjourn it be to thursday the 2d day of June next — at 8 o'clock P.M.

Voted to adjourn.

William S. Danforth — Clerk.

The following letter contains[3] Mr Myrick's answer to the above Invitation. [284] Continued

Cambridge, July 9th 1853.

Gentlemen —

Not having as yet given a formal reply to your communication of May the 20th inviting me to become Colleague with Rev. Dr Kendall in the Ministry over the First Parish in Plymouth — I would now say, that I am ready to accept your kind invitation.

It will be unnecessary for me to indulge in any extended remarks

here. Having taken every possible means to enlighten myself as to the actual state of your Parish — I have also endevored to afford you every opportunity of getting acquainted with my own character and views — making no attempt to pass among you for anything more than I was actually worth. In my address to the Society on the afternoon of Sunday — July 3d I spoke of the limited extent of my physical and intellectual resources — and frankly told the people what amount of labor I thought I should be able to perform. I spoke to them plainly that there might be no misunderstanding afterwards. They expressed their willingness to accept the proposed terms as you have informed me; — therefore I see nothing to prevent me from informing you of my final decision.

I accept the Invitation you have presented cordially and heartily. There is but one drawback to my extreme satisfaction — which is the fear that I may not be able to meet suitably all the demands which will be made [285 [1]] upon me. My youth and inexperience will require the forbearance of all around me, as well as their warmest sympathy and encouragement.

Let us hope, Gentlemen, that this connection may really prove to be what it now seems so fairly to promise — a permanent and happy one. I look forward with delight to the time when I shall be with you — and labor among you. Meanwhile you have my best wishes for your success as individuals — and my ardent prayers for the prosperity of our Church.

Very sincerely Your Friend

That as members of the First Parish, we hereby extend our thanks to the Rev. James Kendall for the generous and manly sacrifice he has made; — and that — while accepting the same — we desire to record an expression of the undiminished reverence and affection we entertain for him as our Pastor — Religious Teacher and Friend.

The proceedings of the 1st Parish [1] relative to the Invitation given to Mr E'w'd H. Hall as associate Pastor of this Society.

Parish Meeting 8th Nov. 1858.

The warrant having been read & the meeting called to order by the Clerk — [291] Jacob H. Loud Esqr was nominated and chosen Moderator.

Voted on motion of Wm H. Whitman Esqr that the Parish Committee be instructed to invite the Rev. E'w'd H. Hall to settle as Associate Pastor of this [2] Society with a salary of twelve hundred dollars.

A true Copy. Elliott Russell Clerk.

The above vote being communicated to Mr Hall the following is his answer:

Providence Dec. 2. 58

To the Committee of the First Parish Ply.

Gentlemen —

I have received your communication of Nov. 11. announcing the vote by which I am requested to become the Associate Pastor of your Society.

As I have reason to suppose the Vote expresses the general feeling of the Society — I accept the invitation thus extended to me.

In explanation of what may seem to you an unnecessary delay in answering your letter — I would say, that it has not been from any disinclination to form such a connexion — but from serious misgivings as to whether I could honestly promise to perform the whole work necessarily required.

[2] Altered from "the."

A Parish, which lies somewhat apart from the common round of exchanges — and which has been for some time without a Pastor — must be a laborious post for a young man, who begins with no material and little professional experience.

Believing however, that you will appreciate these difficulties, and will be ready to make allowance for any embarrassment, which I find in [292 [1]] performing the full amount of labor I hesitate no longer in consenting to enter upon these duties.

There is but one condition, which I would propose, before these preliminary arrangements are concluded — a condition to which, I presume, you will readily accede.

I shall probably find myself in need of a vacation of five or six weeks, during the summer months; — and, as this is a point on which it is better to have an understanding at the beginning — I beg you to inform me at once of your determination upon it.

Apart from this I have no further suggestion to make — but only to promise that my whole strength shall be devoted, with what faithfulness I can command, to the best interests of your Society.

In addition to the Bay Association the following Clergymen were [2] invited to attend the ordination — viz. Rev. Ewd. B. Hall D.D. of Providence — father of the candidate — Rev. Nath[l] Hall of Dorchester — Rev. Dr Hedge of Brookline — Rev. Jno. F. W. Ware Cambridge Port — Rev. Dr Putnam of Roxbury, and Rev. Dr Briggs of Salem — Rev. Mr Ball of Upton and Rev. Chandler Robbins D.D. of Boston — Rev. Mr Tiffany of Springfield.

In consequence of a violent storm — the day before the Ordination — some of the Clergymen invited were unable to attend.

Order of Services: — Introductory Prayer & Selections from the Scriptures by Rev Josiah Moore of Duxbury: — Sermon by Rev. Dr Hall of Providence. Ordaining Prayer by Senior Pastor of the Society. Charge and Right Hand by Rev. Dr Hedge of Brookline: Address to the people by Rev. Nath[l] Hall of Dorchester. Concluding Prayer by Rev. Geo. S. Ball of Upton. Benediction by the Junior Pastor.

A connexion formed under such favorable and auspicious circumstances — and with so much harmony and unanimity of feeling and expression — inspires the hope of and promises a result most favor-

able to the Christian growth and prosperity of this Chh. and Parish. Our desire & prayer are that this hope & and this result may be realized. [293–359 [1]] [360 [2]]

The Pastor of this Church received a letter from Doct. Francis LeBaron dated New York, April 24. 1819 — accompanied with an elegant *Set of Desk Bibles* — presented by him for the use and benefit of the *First Church* and *Society* in Plymouth, as a testimony of his respect and regard for the *Society* with which his ancestors had been connected from the first settlement of the place and the *Church* where he received Christian Baptism.[3]
